

SOUTHLANDS URBAN FARM FAIR 2020

604 Now | @604now | February 27, 2020

The urban fair is back and it's new and improved!

The Fair will be open to all and offer something for every age from the petting zoo and pony rides, to gourmet food and beverages.

It also includes our carefully curated offerings from local artisans and farmers in our Market Space.

There will be equestrian demonstrations and hands-on learning opportunities, property tours, games, tractor rides and much more.

It's the perfect opportunity to experience a taste of the country right here in the city!

If you're looking for other things to do, check out [this new pasta & wine spot](#). Or for something different, head to the [Cherry Blossom Festival Vancouver](#)

For more events, check out our [Events](#) section.
